A PUBLICATION FOR FRIENDS OF RIVERVIEW HEALTH CARE FOUNDATION

September 2009

We believe the donors to Riverview Health Care Foundation are as much a part of saving the lives and keeping our community healthy as the physicians, nurses, and medical staff of Riverview Hospital Association. Their generosity has helped support critical upgrades and services to the hospital's facilities, new technologies that make patient care safer and more effective, and programs that make the people in our community healthier.

We would like to extend our thanks to every donor who has helped make Riverview Hospital Association a great place to receive medical care and who has enhanced the health and wellness of our community. Thanks to their ongoing support, we continue to transform our hospital and make a substantial and lasting difference in the health and well-being of our friends and neighbors.

Jennifer Hayes
President/CEO
